STRATEGIC PLAN & VISION

Promitto:

Promitto Limited is a home ownership company, offering a unique combination of project management and construction financing under one roof.
This innovative model has disrupted the traditional construction system by introducing simplicity, efficiency in cost management, and homeownership-friendly repayment structures.

Clients select their prefered architectural designs from our in-house portfolio or submit their custom design that is quoted against. The client will then deposit at least 30% of the project cost and the business funds the rest of the project cost.

Vision:

To offer structured and innovative housing programs in Africa

Done through:

- **Gated Communities**
- **Modern Apartments**
- **Cities**
- **Holiday homes**
